

all went off very well.
At Lowell, the meeting
will be free so I ex-
pect it will be very
crowded. I will report
concerning it when we
meet on the morning.

Let me see you on my
way to Chester Park.
I will call at the A. S.
Rooms.

Yours Sincerely

Geo Thompson

My dear Garrison,

I got safely here &
have been kindly inter-
viewed by Mr W. C. Chaffin
the Manager of the Great
Cotton Spinning, Weaving
& Finishing works here.
We had a great meeting
last evening and a very
numerous gathering of
the citizens of the place.
